

Coaching Services

Personal Coaching Subscription - Unlock your full potential with our Personal Coaching Subscription. With bi-monthly sessions at just \$200 per month, this year-long commitment offers comprehensive coaching in strategy, vision, and discovery, plus individual and general topics. Transform your life today!

Strategy Session - Your opportunity to collaborate with a coach approach to your dreams, goals, and vision.

Laser Coaching – A succinct coaching experience to address a current decision to be made, goal to be met, or dream to pursue.

Discovery Coaching - Great option for individuals who aren't sure of their personal or professional direction. This 2-session program helps hone in on what you want and how to get there. Priced per session.

Discover Your Vision Coaching – An opportunity to discover and implement assessment results into your personal vision. You will explore your drivers, your passion statement, and design your next steps to fulfillment.

Transformation Coaching – Coaching designed to shift forward into your “new story” with strong intentionality - leaving your “old story” behind. We will overcome the triggers, blocks, & saboteurs keeping you from moving forward. Then we will up-level into “Go Mode” - giving yourself permission to succeed.

Performance Acceleration Coaching – Leverage and execute out of your top strengths and “superpowers.” Define what success looks like for you within your joyful identity. We will focus on relational sales, client attraction, and marketing your message.

Elite Sales Training - Unlock the secrets to skyrocketing your sales, mastering persuasion techniques, and building a thriving network. Gain exclusive access to cutting-edge strategies, personalized coaching, and a community of top performers. Elevate your business to new heights and achieve unparalleled success in your business journey."

Prosperity Circle Mastermind - "Join the Prosperity Circle Mastermind and unlock your path to success. Elevate your business, mindset, and connections with our exclusive monthly subscription. Gain access to valuable resources, expert insights, and a supportive community. Invest in your future and thrive, month after month."

Leadership Intensive – For executive leaders . . . a deep dive into business success strategies and leadership transformation.

Leadership & Team Development – For the small business entrepreneur . . . we will customize a full package including executive strategies, key assessments, team communication, and transformational benchmarks to scale your business.

Group Coaching – rotating topics for personal growth, 4 person minimum, includes ½ day Mastermind Classes or one-day workshops.

Coaching Certification - Professional coaching and mentor coaching services designed to help you achieve and demonstrate the competency levels required for your desired coaching credentials. With a focus on Core Competencies, Erin provides feedback and guidance through recorded or live coaching sessions to enhance your coaching skills."

TheoRapha Technique – This protocol attends to the way our bodies store emotions like frequencies. A simple combination of “touch and thought” allows the body to release these stored emotions, thus attending to the body and soul. When the stored trauma emotions behind a symptom are relieved, this helps the client understand and remove the destructive vows, lies, and blocks associated with those traumas in Body, Soul and Spirit.
